Dear Illinois Meat Processor,

Thank you for your interest in the Illinois Association of Meat Processors.

Paul Otten, IAMP President 2018-19, owns Wenneman Meat Company and has been a member of IAMP since approximately 1970. Paul states, "The knowledge and friendships our business has gained over the years is countless. The product show, educational seminars, plant tours, and trade show has been a huge help in the expansion and success of our company. Being part of the association in your day to day life seems to be a meaningless thing, but when you reflect on all the things you gain from IAMP, it's huge. Just a simple technique, piece of equipment seen at a trade show, recipe or a new, innovative product, which all can make you and your business more successful. IAMP is a huge asset to everyone and I hope it continues to get stronger."
