Dear Illinois Meat Processor,

Thank you for your continued support of the Illinois Association of Meat Processors.

The Illinois Association of Meat Processors continues to provide excellent information to the meat processors in Illinois. Whether it is help connecting to other processors with common issues such as grant information, Inspector issues, or connecting with suppliers, IAMP is there for us as processors and suppliers to provide information and support. As a group we will continue to provide safe and nutritious products to the public. Sign up today to enjoy the benefits of being part of a special group, a member of IAMP.

IAMP Plans for 2022

- *The IAMP Board of Directors is excited to announce the 2022 IAMP Convention and Trade Show to be held on February 24-26, 2022, at Effingham, Illinois, at the Keller Convention Center. A great line-up of speakers, a fantastic trade show, and meats competition will highlight the convention. Watch for the Winter and Pre-convention newsletter for tour and convention information.*
- *The IAMP website (www.illinoismeatprocessors.com) continues to connect processors, suppliers and consumers. Check out our Facebook page also!*
- ***NEW for 2022: The Illinois State Fair Meats Competition to truly represent all Illinois meat plants and be the "Best of Illinois."*** We are asking all plants to participate by submitting entries for the Illinois State Fair competition. The classes are snack sticks, jerky, smoked brats, ham and bacon. To make this a true representation of the processors of Illinois, members of the University of Illinois Meats Judging Team or the IAMP staff may pick up products from your plant to enter into the competition. We welcome your "straight from the retail case" entries. Let's make this competition truly the "Best of Illinois."
- *New opportunities are on the horizon to partner with agriculture associations: IPPA, IBA, IDOA, IL Farm Bureau and IL Stewardship Alliance.*
- *Continue to work with the IL Department of Ag on various concerns with IDOA Inspector shortage, grant opportunities and programs, inspection regulations/concerns, etc.*
- *Participation in exclusive member programs such as the Pork Power Program.*

I encourage you to continue your membership with IAMP! If you have any questions please do not hesitate to call myself or our Executive Secretary, Dianne Handsaker. See you in Effingham!

Sincerely,

Bruce Fechtig President
